When you Arrive at Curium Ancient Amphitheatre, you will need to find your Team Leader. Your Team Leader will be expecting you at the entrance of the Amphitheatre, and she will be holding a sign with your Team's Letter.

Your leader will guide you to your Flag Ceremony Position. At this location you will find your flag, and this is the position that you will start the Flag Ceremony from. It is important to remember where this location is since you will need to return at this location before the beginning of the ceremony.

Your Team Leader will then guide you to the catering area, where you will meet the rest of your delegation and enjoy the delicacies that will be offered.

At 19:30 exactly you will need to leave the catering area and take your flag ceremony positions.
